

Press Release

Hellenic Presidency of the Permanent Committee on Cadastre in the E.U. (PCC)

Conference & Plenary Meeting, 23rd – 25th June 2014

The Plenary Meeting and Conference of Permanent Committee on Cadastre, starts on Monday, 2014 June 23rd, in Zappeion Megaron, under the Presidency "National Cadastre and Mapping Agency SA". The opening of the Plenary Meeting of Permanent Committee on Cadastre will declare the Minister of Environment, Energy and Climatic Change, Mr. Yannis Maniatis.

The Permanent Committee on Cadastre in the EU (PCC), brings together all the official Cadastral Institutions of the European Union's member states countries. The PCC's mission is to create an adequate space in which to promote the full awareness of the activities developed by the European Union and the Member States related with Cadastre and, by means of this information, to develop strategies and propose common initiatives with the aim of achieving greater co-ordination among the different European Cadastral Systems and their users.

In the Conference and the Plenary Meeting a set of important issues about Cadastres will be discussed among the PCC delegates from Member States and representatives from 'observer' organizations.
