DLM Forum Annual General Meeting – Athens – 10-11th June 2014

Venue: Hellenic Ministry of Foreign Affairs (1 Vasilissis Sofias and Akadimias str.)

This Members Meeting is building on DLM initiatives and Information Governance issues with focusing on:

1. **DLM's impact**
   - What are the main achievements that have helped to establish the DLM brand and how can we build on those for the future?
   - How could members profit more from their membership? Projects, implementations, partners, knowledge base, cooperation.
   - Cooperation with further membership organizations on digital preservation (OPF) and Records Management (AIIM)
   - Spreading and adoption of Moreq and the way forward.
   - Reports on the progress of the E-ARK project. Integrating records systems with digital archives. Building a general archives model based on the best practices of 204 respondents.

2. **Information governance challenges**
   - Presenting a number of successful/diverse European e-government programmes.
   - General and specific insight and case studies from Greece, The Netherlands, UK and Estonia
   - Information governance from the perspectives of ministries, vendors and archives
   - How to exploit the value of information assets?
   - Consequences of the cloud and mobile technology
